Graphic Design Festival Scotland (GDFS) is an international organisation promoting creativity, innovation, collaboration and challenging ways of thinking through a programme of workshops, talks, discussions, exhibitions, competitions, music and public artwork – based in The Lighthouse.

Partnering with more than 80 organisations and welcoming 50,000+ participants and visitors since launching in 2014, GDFS is the largest event ever hosted at Scotland's National Centre for Design and Architecture, The Lighthouse.

Core programme  
20 – 26 Oct 2017

Exhibitions  
21 Oct – 25 Nov 2017
